

**Approved
by the Academic Council
of the federal state budgetary
educational institution
of higher education
"Dagestan State Medical University"
of the Ministry of healthcare
of the Russian Federation.
dated September 30, 2016.
(Protocol № 2)**

The rules

for filing and reviewing appeals which are based on the results of admission examinations, that are hold by the University individually during the admission for training on programs of a specialist degree in 2020/21 academic year to the federal state budgetary educational institution of higher education "Dagestan State Medical University" of the Ministry of Healthcare of the Russian Federation.

According to the results of admission examinations held by University individually, the applicant (trustee) has the right to submit **the appeal about the violation to the appeal Commission, on applicant's opinion, the established order of the admission examination** and (or) the disagreement with the obtained estimation results of the admission examination.

During the review of the appeal, compliance with the established procedure of holding the admission examination and (or) the correctness of evaluating the results of the admission examination is checked.

The appeal is filed in the day of the announcing the results of the admission examination or within the next working day. The appeal about the violation of the established order of the admission examination can also be filed in the day of holding the admission examination.

The appeal is considered no later than the next working day after the day of its submission.

The applicant (trustee) has the right to be present when the appeal is considered. One of the parents or legal representatives may be present with a minor applicant (to 18 years old), except minors who have been recognized as fully capable under the law before reaching the age of majority.

After consideration of the appeal, the appeal Commission takes the decision about change the assessment of the results of the admission examination or about an abandonment of the specified assessment unchanged.

The decision of the appeal Commission which is issued by the Protocol is brought to the attention of the applicant (trustee). The fact of review of applicant (trustee) with the decision of the appeal Commission is notarized by the signature of the applicant (trustee).
