**REGULATIONS ON ENTRANCE TESTS
for admission to study in specialty programs in the Federal
State Budgetary Educational Institution of Higher Education
"Dagestan State Medical University" of the Ministry of
Health of the Russian Federation**

For the purpose of an objective assessment of the knowledge of applicants for training in specialty programs in the federal state budgetary educational institution of higher Education "Dagestan State Medical University" of the Ministry of Health of the Russian Federation (hereinafter referred to as the University) entrance tests in general education subjects are conducted in the form of tests.

Testing is mandatory for all applicants to the University who have the right and expressed a desire to enroll based on the results of entrance tests conducted by the University independently in accordance with Federal Law from 29.12.2012 No. 273-ФЗ "On Education in the Russian Federation".

The test is conducted in writing. The works of applicants are evaluated by the examination subject commission on a one-hundred-point scale.

Testing at the entrance tests in chemistry and biology conducted according to the programs based on the federal the state educational standard of secondary education and the federal state educational standard of basic general education taking into account the need to comply with the difficulty level entrance examinations to the difficulty level of the United State Exam according to the relevant general subjects.

In Russian, the entrance test is conducted in the form of a dictation test.

The form and texts of the tests are submitted by the chairmen of the subject Examination Board approved by the admission committee and the order of the Rector of the University.

Replication and storage of entrance tests are carried out in accordance with the Regulations on the Admission Committee of the University. The results of the entrance test are announced on the official

website and information stand of the University no later than the deadline after the day of the entrance test.

After the announcement of the results of the written entrance test incoming has the right to see their work (job applicants) on the day of announcement of results of the written entrance test or the next working day.
